

RECENT TRAVELS

Thank you so much for praying for us as we traveled to Nepal last week for our visa extension. We praise the Lord for a safe and prosperous trip. We exited and reentered the country without a single question being asked. We praise the Lord for answering this very specific prayer! I am so thankful for the Lord continually working in our hearts and teaching us that we can trust Him in every single area of our lives.

We were able to spend time with our friends Paul and Amber Taube and see the ministry in Kathmandu. Paul and Amber have both learned Nepali extremely well and are doing a great job at training young men and reaching people with the gospel. We are so blessed to consider them friends and co-laborers in the ministry. If you would like to know more about the ministry in Kathmandu, as well as Camp Refuge, you can contact Paul directly at pauljtaube@gmail.com.

Rebekah and I were also able to find out the gender of the baby. We are excited that our second daughter, Emilia Dawn Elrod, is expected to arrive in July. Please continue to pray for Rebekah and the baby.

Please continue to pray for the ministries here in India. We will celebrate Mother's Day at the church plant we are working in on Sunday (May 19th). Elections were held this past Sunday in Delhi. Please pray for this special service.
