Dear Praying Partners,

The Lord said to the prophet, Jeremiah: ***Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.*** The Lord has shown us great and mighty things recently! In our last letter, we told you that we had been praying about getting in the Davidson Co jail (our county), and that one of our supporting pastors is a deputy/chaplain there. **We have completed our training and are now in both the men's and women's units of that jail.** We began to pray and ask others to pray about volunteers to help us. **I have 3 men from our church that went through the training and have already been to jail with us! Also, I have just completed ROA training with 39 more volunteers**, both men and women, who are excited about helping! **Praise the Lord!!** Please pray as we work this jail; we feel like the Lord is going to do great things here.

Also, the Lord allowed **two more volunteers** to get badges to go to the Montgomery Co. jail.

I had the privilege of going to **7 prisons and 3 jails** the past two months. Kay was able to go to **2 jails**. **Fourteen men called on the Lord for salvation.** At two of the prisons, we did Bible studies along with the visitation and services. A chaplain at one of the prisons asked us if we could do Bible study on both the medium and minimum units next time; we had only been doing it on the medium side. At another prison, we had not been able to do visitation, just Bible studies and services – now we are able to do visitation as well.

I would like to say again, **"The Lord has opened doors where no one else can."** Amen!

Bro. David Harrelson and I met with the head chaplain in SC to talk about the SC Blitz and how the Ministry can help the prisons there. We introduced him to the Officers' New Testament; since then we have been getting requests for those New Testaments, both in SC and NC. I've given out two cases of 48 each myself, and have a request for another case! The Lord is really using this NT; it is a blessing to the officers!

We went to the Home Office for a week of field staff meeting/leadership training. I'm so grateful to the Lord for Dr. Ellis and Dr. Dunsford, our leaders, and for the good training we receive from the King James Bible.

We sure appreciate your support and prayers. Please continue to pray for our health. God bless you.

Because of Him,

Ronnie & Kay McKinney
