

REACHING SPANISH NATIONS

March-April 2020

MIKE PAYTON

Spanish Nations

Dear Church family and Pastor,

I count it a great joy to update you on the past two months. I can imagine every one of us has felt the challenges of this Covid-19 season; however, I would love to tell of a praise report that gives God the glory through His mighty hand still working through these times. I was a little down about not being able to go soul-winning door-to-door or speak to hardly anyone about their salvation during this coronavirus epidemic, so I pondered about how God would have me to adjust. No sooner than a day or two later, I was assisting a church member with moving his home; and as I was going to return the large U-Haul truck, I pulled into a driveway to make a u-turn. The steepness of the driveway caused the tow hitch to lift the back tires of the vehicle into the air and trap me in the stranger's driveway. I apologized to the homeowner and waited for U-Haul to dispatch a tow truck driver. I felt so foolish for two hours waiting for the truck to come.

Finally, the driver came and pulled the truck right out. I thanked him and then began sharing the gospel with him for about 20 minutes. When I gave him an invitation, he bowed his head and trusted Christ as his personal Saviour! He thanked me and advised me that he would like to bring his wife and two kids to church sometime soon. I told him that it was a good thing that I got the truck stuck in he driveway; so he could save me, and in turn God could save him! He heartily agreed, praise the Lord!

I would like to thank a special church in Ohio for generously purchasing us a new Port-a-John for the airfield. I would like to thank every church for your prayers for our family and for your giving toward furthering the gospel through our ministry. We have some exciting advancements in our ministry that I am not at liberty to disclose just yet, but we are excited for what God is doing so far!
