Isaias and Rachel Divino To the Indians of Brazil

Simpsonville, July 2020.

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's" Romans 14:8.

Greetings in the Name of the Lord!

Here we are again to share with you a little of what the LORD has done for us.

I believe that the MASTER has met our every need because of your prayers on our behalf. He has protected us in our travels and we have had no illness—not even the slightest cold.

The churches we have visited have been very generous and hospitable. One of the most pleasant parts of this ministry is being able to meet new brothers and sisters in Christ, to be able to hear of their testimonies, their difficulties and the victories the Lord has given. The worst part is having to say goodbye to these same people! But our Heavenly Father has put us in different vineyards, and as the distance is great, some of these brethren we will only see again in Heaven.

I would like you to rejoice with us, because last month we were worried about being able to purchase next year's school material for the girls, although we hadn't shared that in our letter. We want you to praise our Good Shepherd along with us, because we received some special offerings that made it possible not only to purchase the school material, but also to meet our expenditures for the month.

At the time of this writing, the Lord has raised 72% of our support. By faith we have bought our tickets to return to the field on August 25th, hoping that by then our support needs will be complete.

We have 14 churches scheduled to visit before our return to Brazil.

Once again I want to say: Thank you very much for your prayers and support! May the Lord of the Harvest bless you richly in return.

Please visit our site. There you will find more information about us and be able to accompany the progress of our support.

Following the MASTER,
