Dear Praying Partners,

*Man is like to vanity: his days are as a shadow that passeth away.* Ps. 144:4 We are surely aware that time is passing very quickly. Our desire is that we could be back in our prisons full time, but we know the Lord is still in control and He knows what is going on.

We have some good reports in spite of the prisons being closed to us. A lady called me a few weeks ago about her son who is in prison. I had sent him a Bible earlier and got him enrolled in the PBI – his mother said he has done all the lessons he has been sent and wants more! Praise the Lord, there are some folks who are hungering after the Word of God!

The chaplain at a local jail, who is also a pastor, called and said he needed some Bibles. He had gone to talk to the inmates in a certain pod, found himself preaching to them, and six or seven men got saved! **The Word of God is not bound by razor wire and bricks!!** A director at another prison asked, "Do you have any of those **King James Bibles**? The inmates are asking for them." I had the privilege to take **3 cases of Bibles** to that facility! When the lady came to my van to get the Bibles, she saw some of **our new booklets** that I had packed for another facility, and asked "Can I have some of those?" I gave her all I had that day!

We have a ladies' class that is helping us with monthly support, as well as saving "**B**" dollars to help us buy Bibles. We found out they are asking everyone they know to save the "**B**" dollars for them, even going a good distance to pick them up. When they go out to eat, if someone puts "**B**" dollars on the table for a tip,

they replace them with regular dollars for us! What a blessing this is that they are so involved in the ministry!

In the past two months, I've been able to take Bibles, materials, and in some cases **Bible study lessons** to **six different institutions**. We pick up the completed lessons and grade them at home. What a great way to get the Word of God in the hands of the inmates!

Our team bought food for **100 officers** at a jail in SC; we packaged everything in individual containers, using masks and gloves. How they appreciated that! We want to support the officers in any way we can during these difficult times. We thank Joel Baptist Church for helping with this, and letting us use their fellowship building to put everything together.

Kay and I also did the same for a local jail who has **65 officers**. Our church, Trulite Baptist, and another church, Testimonial Baptist, helped, as well as some individuals who gave offerings. We're so thankful to be able to be a blessing to the officers.

We so appreciate your faithfulness in your support and prayers. God bless you.

Because of Him,

Ronnie & Kay McKinney
