### Christmas 2018

**Dearly Beloved, Prayer Warriors, and Supporters:**

**TIME:** It seems like months since our last communication. During the summer, I suffered a fall in the driveway of my associate Dan Mouw. This made it necessary to cancel meetings during July. From this point it was a period of Physical Therapy and rest. We wondered about future days. Then in August the phone started ringing with pastors wanting to book meetings. We have been to local churches as well as Maryland and Virginia for preaching August through October.

**TESTIMONY:** We were given an opportunity to print literature for the future. It amazes us how quickly the booklets pertaining to Israel, The Second Coming, and the Jewish people have been going.

**THANKFULNESS:** It is always a blessing to encounter people from different ethnic backgrounds, culture, or race, allowing us to speak about the wonderful story of Jesus Christ. We were parked at a local mall, and as we began to leave, we noticed the car parked in front of us had a New York license plate. Three young ladies approached the car so we got out to talk with them. The girls were Orthodox Jewish ladies from New York City on a visit to the south. They each had an Old Testament Hebrew name. They were traveling with a grill so as to eat only kosher food. We opened our trunk and gave them literature that they received graciously and thanked us. It was not accidental but divine appointment. We thank the Lord for those who give, who pray, and stand with us in order to reach lost Jewish souls. May God richly bless each of you for being a part of our ministry.

***"For unto you is born this day in the city of David a Saviour which is Christ the Lord."***  
Luke 2:11. "...With th' angelic host proclaim, Christ is born in Bethlehem. Hark! The heard angels sing, Glory to the new-born King!" Wishing each of you a most blessed Christmas and New Year Season.

With our love and gratefulness,

*Jack and Sandra*
