

Dear Friends and Family,

Thank you for your support in the missions to Albania. Your continued support will help provide the Gospel to a lost and dying people.

Status:

Hello brothers and sisters in Christ! We pray everyone had a good Christmas and New Year in 2016. God has definitely blessed us the last few months of 2016: We manage to raised 10% of our support! We are now around 70% of our intended goal. God has been opening doors for us and please pray that he continues to do so! If things keep up as they have, we will definitely hit our intended goal of moving in September of this year!

Please continue to pray for my wife and our pregnancy. Everything has gone well so far and Lucas James Wells seems to be very healthy. We have just a couple more months (10 weeks!) until he's ready to be here! Soon, my wife will not be able to travel with me as much so please pray for that situation as well.

Unfortunately, due to Lucas being here soon and our intended goal of moving this year, we most likely won't be able to take a short trip before we plan on moving, at least not until right before we move. I wanted to take Wendy on a short trip, seeing as she hasn't been yet, so she could see and get a feel of the country. Looks like this option might not be viable. Please pray that the transition and everything else goes well with her and our family. She's been on the mission field before so I suspect it won't be an issue.

Once again, thank you for your continued support, and thank you so much for your continued prayers. We pray that this new year goes well and the Lord blesses you and your church families. We covet your prayers and support as we finish out this final year of deputation. Thank you and God bless!

Daxell and Wendy Wells
