Dear friends and family

Thank you for your support in the missions to Albania. Your continued support will help provide the Gospel to a lost and dying people.

Status/Update

Hello brothers and sisters in Christ and happy New Year!! We wish you all blessings in this new year, 2018. We have great news to share with you: we are officially moving to Albania this coming March! We are very excited to get to the field and perhaps a little anxious for the big move! Our official date to move, Lord willing, is March 5th. Please help us pray that the move goes smoothly, especially with our little one. Lucas James is doing great, just growing and crawling around everywhere! We pray he grows physically and Spiritually and knows the Lord at a young age.

We have some moving expenses to raise for our trip. We trust the Lord will provide as He always does. We are at a support level that we can move to Albania but please pray for the Lord to provide us more opportunities to present our work to Churches these couple of months before we leave. Any additional support we gain before we move will be a blessing!

From now to March 5th, we have moved with my in-laws since our lease was up and we only have 2 months to leave the country. It is a good time to be with our families and enjoy them as much as possible. We are in the middle of all the paperwork and so far it is going well. We pray we don't have any problems since it can be hard to keep up with all the requirements. Again, thank you for continued support and may the Lord continue to bless you and your endeavors!
