July & August, 2019

Dear Praying Partners,

Paul told the church at Colosse, *"Walk in wisdom toward them that are without, redeeming the time."* He was saying to make the most of our opportunities to tell the Good News that Jesus saves! We are trying our best to do that! The month of July, I was away from home 23 days, traveling almost 2600 miles. The Lord is so good to let me go to **4 prisons and 1 jail**, and get to see **25 men and 6 ladies saved!** At the end of the month, we traveled to Franklin Rd. Baptist Church in Murfreesboro, TN for our National Conference. I believe this was the best one ever! It's so amazing how the Lord put the right preachers with the right messages together just for us. This is our time to bask in the Word of God, and get the help we need to do our best for the Lord. In the month of July, I was also able to train some more volunteers, some of whom are planning to help us at the **SC Blitz coming up the first week of October.** Praise the Lord for that; please pray for this meeting.

We got to have our first revival at the North Piedmont CRV ladies' prison. We had a great time there, with the 6 ladies mentioned above getting saved. This past week we were on the road to NECX in Mtn. City, TN for a prison revival. We stopped at a store to get a snack, and there was a young lady there who recognized us from that meeting. She said she got out of the facility there a short time after we had the revival, and that she really got help from the services. How great to hear! While at this facility, we noticed that most of these ladies were below the age of 30. How sad to see the devil messing up young lives (or any life for that matter), but how good to know the Lord can change their lives!

In August, the Lord allowed me to go to **3 prisons and 1 jail, with 15 more trusting the Lord for salvation.** Kay did Character lessons at her two jails each month, and there was **1 lady saved** in one of the jails. We are so thankful for the doors that have opened recently. It is such a blessing to see how the Lord is moving in these last days; most of all to know souls are still being saved. **The Lord has also provided us with some Bibles** to give to the inmates! Praise the Lord! It gives us great pleasure to be able to give them a KJ Bible! Also, the Lord gave us some good church meetings, at a couple of new churches and some supporting churches as well. We're thankful for the local church!

Please pray for our health as we're getting older! I will be having my second nerve block in my back this month, Lord willing, and Kay has some shoulder issues. Most of all, pray for the Lord's power on us, and for the hearts of the inmates to be convicted and their souls saved. Thank you so much for all you do to help us go to the inmates. God bless you

Because of Him,
