

Dear Friends,

We have had an unbelievably busy summer but have been able to accomplish much for the glory of God. Frank was on his death bed but placed his faith in Christ recently. God saw fit to keep him on earth a little longer. Our summer Bible clubs in the park have been tremendously successful and we have had a couple of families visit the church as a result. Pray for these families.

Our landlord extended the lease for our current location and we found a building that fit our budget so we made an offer and will be closing on September 16th. long story short, we got a \$750,000 building for \$295,000. We will have to do some renovation, but I think we may be able to occupy the new building by the new year. Pray that our current landlord will let us out of our lease without penalty. We celebrate our fifth anniversary on Sunday, September 8th and are taking up a special anniversary offering to put toward the first phase of our renovation. I am praying for \$25,000 which will be used for some exterior sprucing up but mostly for what needs to be done internally (demo, framing, electrical, plumbing, drywall, paint, etc.). Would you prayerfully consider investing in this project? We would welcome your participation in our special anniversary offering on September 8.

We thank God for all of you who support us prayerfully, financially, or both. Thank you for being a part of what God is doing in the Pacific Northwest.
