September & October, 2019

Dear Praying Partners,

Let me start by saying I really appreciate our pastors. We have just observed Pastor Appreciation month. Paul told the Christians in Rome to give honour to whom honour is due. Pastors are our earthly shepherds, and we need to hold them up in prayer each day. I believe in the local church; that is our foundation and our base for anything we do. I'm thankful for my pastor, and for all of you who faithfully preach Jesus!

My, what a time we had at the **SC Blitz!** The Lord let our teams work **8 prisons and 2 jails**. We had **1531** present in our services, and **218 souls were saved!** I had the privilege to coordinate one of the men's prisons. Another facility closed down to us because of the heat (it was around 102 degrees), but some of the inmates from the prison that closed were transferred to the prison I coordinated, so we still got to witness to them!

In September, we got to go to **3 prisons and 2 jails**. There were **18 that professed Christ as Saviour**. We were able to go to 1 new church, and we were at the home office for a week for new candidate training. Also, I met with the SC chaplain at the first of the month in preparation for the Blitz. We traveled over 2400 miles in September.

In addition to the Blitz, in October, the Lord let us go to **5 prisons and 4 jails, with 39 men that were saved**. I got word about a week before we were to go to one prison that it was shutting down permanently. We drove to another facility in SC, only to learn that

we could not go in because of a security risk. I also went to two prisons to get recertification in order to keep going in. Kay and I went to two new churches and presented our work at both. The Lord gave us traveling mercy for over 2900 miles this month. He sure is good to let us do what we love.

On a personal level, we ask that you continue to pray for our health. I've had a couple of nerve blocks in my back, but they haven't helped much at all. Kay is doing some therapy on her shoulder, and it seems to be helping her some. Praise the Lord. We're so grateful for each day He gives us. We just want to serve our Lord all the days of our lives.

We want to thank you again for all your prayers, your financial support, and for all of you that go with us to our prisons. **We don't have to go to prison, we get to go!** It's by your help and prayers that we get to go. Remember, you have a part in every soul that is saved! May the Lord bless you and give you a wonderful Thanksgiving and Christmas season.

Because of Him,

Ronnie & Kay McKinney
