

THE WELLS FAMILY

Daxell, Wendy and Lucas | Missionaries to Albania | Prayer Letter

Përshëndetje! Hello to all friends and family in Christ! Thank you for your continued support through financial and spiritual means. We pray this New Year 2020 is abundant with blessings to you all!

So we have moved and are finally settled in Vlore! Our family has adjusted very well to our new home. The people are very friendly here and so far have been very receptive to us as foreigners, something I thought we would have to be wary of, leaving Sarande.

The Lord provided to us a wonderful home that we absolutely adore. After searching for about a month, we were about to just settle on a few homes we were considering. A very friendly Remax agent named Dario had one more place to show us that just came up on the market. Reluctantly, we decided to go see it. It was exactly everything Wendy had been praying for in a home. The Lord truly blessed us! Plus, our landlords are a very nice couple, who absolutely adore Lucas. We believe they were aware that we were considering getting a puppy for Lucas and actually surprised Lucas with one! We are very blessed here.

Since we are now settled in our new home, **we are taking the beginning steps to start a new ministry with the Roma.** We were told that there wasn't many Roma here in Vlore, so we had been praying on where to go and how. Just a few weeks ago, some news was told to us about a pretty well sized Roma village, just a few minutes outside of Vlore. We believe the Lord is opening doors for us to go. **I'm planning on visiting this area with Brother Kirk King, a local Baptist pastor and a few other men, to get to know the people, this very week of me typing this letter.** Lord willing, we plan on going out there every week and start having services there very soon, hopefully within this very month. Please help us pray for this ministry. Lord willing, we will begin this one and if all goes well, we will begin another Roma ministry near a village below Gjirokaster. We would love to have two Roma ministries before the end of the year.

Speaking of which, while we wait on our ministry, we have been attending church with Brother Kirk King and his family. We have had a wonderful time and have learned so much from them and we are extremely thankful to have the opportunity to learn and help fellow laborers in Christ! We've had the opportunities to testify at their church and at a local women's shelter through their ministry. Please pray for their ministry that God continue to bless them in their endeavors.
