

The Wilt Family Update

Volume 15, Issue 1 / January – February 2020

Dear Praying Friends,

It is hard to believe that we have wrapped up two months of ministry in the New Year already. We have been busy, and the work of God is advancing!

The cold and flu season did not take its toll on our attendance this year as it has in the past. As a matter of fact, we have had a great period of growth and have welcomed several second- and third-time visitors. Please pray for some that, by their own testimony, have never placed their faith in Christ alone as their only hope of a relationship with God and a home in His presence for eternity.

In January we had two young couples dedicate their children to the Lord. It was a precious time for the parents to publicly acknowledge that “...children are an heritage of the LORD...” and commit to “...bring them up in the nurture and admonition of the Lord.” The church also had the opportunity to reciprocate their commitment by pledging to pray for them and help them in the task.

In February a married couple and their young son joined the church. They moved closer to our area about a year ago and have been looking where to place their church membership. Both give a wonderful testimony of salvation and Scriptural baptism. Pray for their toddler son to be saved at an early age!

February also marked an opportunity for Greg Sr. to travel to our State Capitol in Olympia and meet with our Senator and Representatives. This annual trip has been a wonderful opportunity to pray with our elected officials and bring the influence of Christ into the Capitol building of a State that has been the first, or one of the first, to legalize such things as abortion, gambling, assisted suicide, recreational marijuana, human composting, and the homosexual indoctrination of children without parental consent as young as kindergarten age in public school. Pray for us as we take a stand for the Lord Jesus Christ in the midst of such a dark and perverse generation!

We continue to “press toward the mark” in our relocation. Pray that God will help the tenants we inherited through our building purchase to recognize that we need that building worse than they do! Greg Sr. has been encouraging the tenants to be thinking about their “exit strategy” and has offered “early outs” with no penalty.

As always, thank you for your prayers, generous giving, or both as we represent you for the cause of Christ in the Pacific Northwest.

Your Friends,

Greg Sr., Beth Ann, Allyson, & Ben Wilt.
