Spring 2020

Dear Beloved Supporters and Prayer Warriors:

The COVID 19 Virus has drastically changed the ministry and our daily lives. Churches are now livestreaming services and pastors are utilizing Facebook as well to keep in touch with their church families. This has certainly affected our ministry as well as the ministries of BWMOM's missionary families. Some are home on furlough and cannot return to their field of service and those desiring to return home cannot due to travel restrictions. We have had to cancel several meetings and are "sheltered in place" at home. Our neighbors have been a blessing to us. They make sure we have groceries and pick up our mail at the local post office. If you would like to send a personal letter or card to let us know how you are getting through this time of confusion, please mail it to 58 Hummingbird Hill, Ringgold, GA 30736-4907 (all support needs to continue to be sent to P.O. Box 3303, Chattanooga, TN 37404). God will take us through a way that we do not understand but will someday. We pray that the Lord will protect you and your loved ones from this terrible virus. Above all else, be safe and cautious.

Our message was, is and will always be the Jews are a special people, Israel has a very unique purpose, and that Israel will continue to reside in a special place (the Holy Land). On May 14, 1948 in Tel Aviv, Jewish Agency Chairman David Ben-Gurion proclaimed the State of Israel. This established the first Jewish state in 2000 years (A.D. 70).

**"...Be strong and of good courage, and do *it*: fear not, nor be dismayed: for the LORD God, *even* my God, *will be* with thee; he will not fail thee, nor forsake thee, until thou hast finished all the work for the service of the house of the LORD."
I Chronicles 28:20**

Gratefully serving Messiah,

Jack & Sandra
