March & April, 2020

Dear Praying Partners,

My, what a difference a couple of months make! None of us thought we would be facing a pandemic and under a Stay at Home order from the government. The Preacher, in Eccl. 3:1 says, *"To every thing there is a season, and a time to every purpose under the heaven."* Ch. 7 v.8 says, *"Better is the end of a thing that the beginning thereof; and the patient in spirit is better than the proud in spirit."* We are content to be in this season right now, although our desires are to be back in the prisons, spreading the Good News that Jesus saves! It will be far better at the end of this thing, and I pray that we all remain encouraged and faithful to the Lord, knowing He has it all under His control.

In March, I was blessed to go to one prison, where **6 souls** were saved. Two of our local churches that go to prisons on a monthly basis were able to have services, and had **2 each saved**. I was also able to train 6 volunteers at a church. Kay got to do a Bible study at one of her jails before the virus hit. I also spent a week at the home office for new candidate training.

The Lord has allowed me to go to five of my prisons and 2 jails to drop off ROA material and some Bibles, and I'm planning to go to another prison and another jail tomorrow. One of the chaplains at a jail told me he led **2 men** to the Lord the day before I saw him! God is still working! I am staying in touch with chaplains and wardens to try to meet the needs in any ways possible. Kay has reached out to the women's prison to see if we can take some hygiene items to the ladies. This has to be approved by upper management; please pray that this will work out.

I have been blessed to get to preach at two drive-in services, and we have been helping our own church with live-streaming our services. I've had time to plant a garden and do some yard work. The Lord has kept us healthy and safe in His care. We are so grateful for His blessings.

Kay and I want to thank you for remaining faithful in your support and prayers. It means so much that you allow God to use you to provide us a means of living during this time. We love you and are praying for you now and always.

We instituted a new program for our donor support in March. Because of a glitch, the donors that support more than one ROA missionary might not have been listed on our report for March. We have the money, but we don't know who to thank for it. We apologize for this, and the problem has been fixed with our April support. So, thank you if you are one of these donors. If you want to drop us an e-mail saying that an amount was sent for March, we would be happy to record that.

In closing, please remember us in prayer, as well as the prisons and inmates. Also, know that we are praying for you, your families, and churches. God is faithful, He will not fail us. Keep looking up and keep trusting the One who made us, and who knows all about us. He does all things well!

Because of Him,

*Ronnie & Kay McKinney*
