*Missionaries to Ecuador*

Dear Friends and Prayer Partners!

Thank you very much for your support and prayers! Here are a few things that have happened over the past month.

In August we had two special evangelistic services via Facebook to share the Gospel. We had a special service to celebrate the independence day of the city we are currently in (Arequipa) and were able to share the Gospel through that event. We also have a special event with singing and preaching where Bethany was able to play the piano and I was able to preach and share the Gospel.

We have been passing out flyers and tracts this month and although we are still not permitted to have church services we are trying to reach as many people as possible with the Gospel through the written word. Please pray for some people to get saved through these flyers.

Please pray for my wife as she is due this week. We should be having another baby boy soon! Please pray that everything will go smoothly with the delivery.

We had our quarantine lifted from our city in September so we are very thankful for that! There are still many restrictions and we are not allowed to have church services but we are praying that church services will be permitted soon.

God Bless, The Blooms
