SUMMER 2020

Dear Friends and Supporters:

Our Lord has not rejected the Jews. Jesus Christ was a Jew as were the first Christians. Messiahship of Jesus is for the Jews first, (Romans 1:16), and also to the Greek. The apostle Paul made praying for his Jewish brethren a priority. Corrie Ten Boom is widely known for her book THE HIDING PLACE which tells the story of the price her family paid for hiding Jews during the Holocaust of World War II. Her story may have been an answer to a century old prayer. In 1844 Corrie's grandfather began a prayer meeting specifically praying for the Jewish people.

Today our mission is dedicated to winning Jewish people to Christ and praying for the peace of Jerusalem where the Lord Jesus preached first. God's directive has never changed. May more local churches have the burden to reach out to the Jewish people regardless of the world's condition and the coming of our Lord.

As churches are slowly opening back up, we have been busy speaking to young missionary candidates, preached for a local church meeting in Asheboro, NC, and supplying the pulpit at a local church in Jasper, TN. Please feel free to contact the office if we can help you and/or your church in any way.

Please pray for us as we are slowly going back out to meetings and churches. Pray for our safety and health. We pray that God will protect each of you from this virus and the perils that our country is facing these days.

Thank you for your continued faithfulness in supporting our ministry both with prayer and finances.

Gratefully serving Messiah,

Jack and Sandra Reiss
