Missionaries to Ecuador

Dear Friends,

Thank you very much for your prayers and support. Here are a few things that happened in October.

A young single mother recently accepted Christ with Bethany! She has been going through a difficult time in her life recently and starting watching some of the services of the church online. Bethany was able to meet up with her and share the Gospel with her. She made a profession of faith so please pray that she will continue to grow in her relationship with God.

The church that we are working in has started back in-person services once a week and we are seeing more people starting to attend. The government is still restricting church services but we are praying that those restrictions will be lifted so that more people will be able to come back to church.

I have been able to preach at several different churches via Zoom in Spanish recently. I am thankful for these opportunities to practice preaching Spanish and minister to others with the Word of God.

Please pray for a young Venezuelan couple that needs help in their marriage and need to get saved. We have been able to meet up with them twice and share the Gospel with them. Please pray for them to get saved.

God Bless, The Blooms
