

Kason, Bethany & Jaxon

BLOOM

Missionaries to Ecuador

Dear Friends,

Thank you very much for your prayers and support! Here are a few praises and prayer requests for the month of February.

My wife and I have been able to work at a new church plant in the northern part of the city with a Peruvian pastor and his wife. Bethany has started a kids class for the kids that attend the church in a garage near the building that we are renting, and she has done a great job sharing the Gospel with them every week.

We have had an average attendance of about 30 people in the services this month; it has been exciting to see new people hear the Gospel. Please pray that this church would continue to grow and more people would get saved. Many people are still concerned about COVID 19, and church services are technically not allowed, but we are excited to see how God is working even in this challenging time.

This month David Gardner returned to Arequipa, Peru, where we are learning Spanish and working during this language-learning time. We are thankful for all the ways that he has helped us and the opportunities we have had to work in the ministry here to gain experience to start our church in Ecuador.

Jaxon and Noah are doing well and growing quickly. We are thankful for the opportunity to have and train two boys that God has given us.

Some of the restrictions here have been increased because the level of COVID19 cases has risen. Please pray that we will not be put under quarantine again and be able to continue to do the ministry without restrictions.

God Bless, Kason
