Missionaries to Ecuador

Dear Friends,

Thank you for your prayers. Here are a few things that have happened in the past month and a few prayer requests.

Pray for Romero, who visited Iglesia Baptista Amor for the first time in February. Pray that he would keep coming to church and get saved.

A young lady recently reached out to my wife with some questions about the Bible. She had met us from some English classes that we did last year. She came to church with us on Sunday, and Bethany had the chance to share the Gospel with her. Please pray for her salvation.

Thankfully they have lifted the quarantine here, and we only have some restrictions on Sundays. Please pray that the government will not put out more restrictions so that we will be able to continue having church services and reach new people with the Gospel.

In March, both Bethany and I will have the opportunity to teach in the Peru Bible College. It will be an excellent opportunity to improve our Spanish and help some young people learn more about the Bible. Please pray for us as we teach these classes.

God Bless, Kason
