

THE WELLS FAMILY

Daxell, Wendy and Lucas | Missionaries to Albania | Prayer Letter

Përshëndetje! Hello to all friends and family in Christ! Thank you for your continued support through financial and spiritual means. We pray that everything is going well for you and your home churches!

We hope you all had a Merry Christmas and we pray you have a great new year! Back in November was our one year anniversary here in the city of Vlora. Although it has been difficult year periodically, we were in our Lord's hands and were very blessed in Vlora. We have been learning customs, culture, language, and meeting people that we pray turn into friendships and open more doors to spread the Gospel.

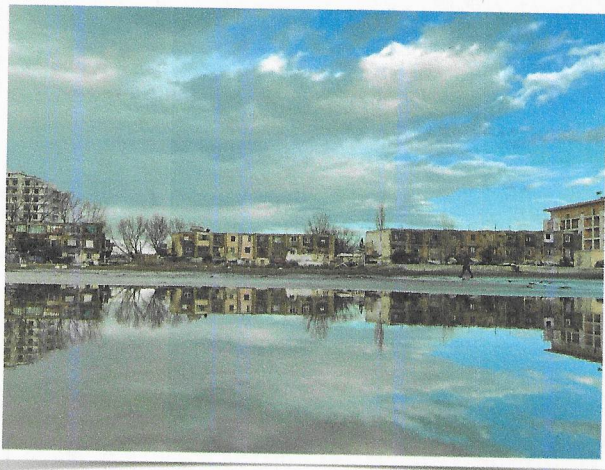

Wendy is now 6 months pregnant and so far, the baby is healthy and strong. The due date is April 19th, and feels like it's right around the corner. With the Covid 19 still spreading, we did receive some concerning news from our Doctor that if Wendy contracts the Virus, the private Hospital we go to for service will not see her for delivery. Please continue to pray for our family and a healthy pregnancy to avoid this situation. Some good news; we know we are having a BOY! We are very excited and Lucas is happy to have a little brother.

As mentioned before, our hearts are set on a very close area called "The Old Beach". The picture bellow shows this area where a large community lives and we are praying God opens doors to reach them. I have met a few of the men that received me openly and were very friendly. We're very excited to get started, although our **Residency and non-workers permits** are still processing. They are taking longer than we were told but we trust in God's timing and know He is in control. We will continue to make contact and get to know the people while we wait for our paperwork to finalize.

Please help us pray for:

- Our family and Wendy's pregnancy
- Our Ministry and new relationships
- The Community we want to reach at "The Old Beach"
- Paperwork to be finalized
