BLOOM

Missionaries to Ecuador

Dear Friends,

Thank you very much for your support and giving! Here are a few updates and prayer requests from June.

The second week in June, we had an opportunity to host a medical clinic here in Arequipa. The COVID restrictions made things a little bit more difficult, and we had to make some last-minute changes. Thankfully God worked it out, and we were able to have almost a thousand patients that passed through the clinic and received medical attention and, most importantly, were able to hear a clear presentation of the Gospel. Over 100 people made professions of faith from the clinic!

We are also hosting a group of seven interns in June and July that are here for a month to learn more about missions and help in the ministry. We have had the opportunity to give out thousands of tracts and church invitations, be part of several special services and bring some people to church. Please pray for them as they seek God's will for their lives.

I was able to preach at three different churches this past month and am thankful for the opportunity to preach in Spanish. Two people got saved during the invitation after one of the messages, so we praise the Lord for that!

God Bless, Kason
